Tenni-Moc's Shoe Store & Pedorthic Foot Care in Long Beach, CA. has received accreditation from the American Board for Certification in Orthotics, Prosthetics and Pedorthics, Inc., (ABC) an independent, nonprofit organization which has been providing facility accreditation since 1948.

ABC's evaluation of Tenni-Moc's Shoe Store & Pedorthic Foot Care includes a thorough review of the physical facility and quality of patient care. ABC interviews both staff and patients and conducts a review of organizational documents, including records of patient care.

"Receiving Accreditation is a significant achievement, one that recognizes outstanding performance by Tenni-Moc's Shoe Store & Pedorthic Foot Care,)" says Catherine A. Carter, Executive Director of ABC. "The facility owners should be commended for their commitment to providing quality care to people in the community."

"We are extremely pleased to have achieved this designation," states board certified Pedorthist Matt Maltezos. "Accreditation is a rigorous process, but one that we welcome as a continual quality improvement mechanism. Earning ABC accreditation is another measure of our excellence as a premier provider of diabetic shoes, custom orthotics, foot prosthetics, footwear modifications and expert shoe-fitting, and reflects our commitment to our patients and our referral network with local physicians."
