

2021 PRODUCTS

All of our parts are CNC machined for a precision finished part. We specialize in custom parts that are no longer made or very hard to find. If you have a custom part you need made please contact us and we will give you a price to have it made.

Our parts are made from aircraft grade aluminum or black delrin.

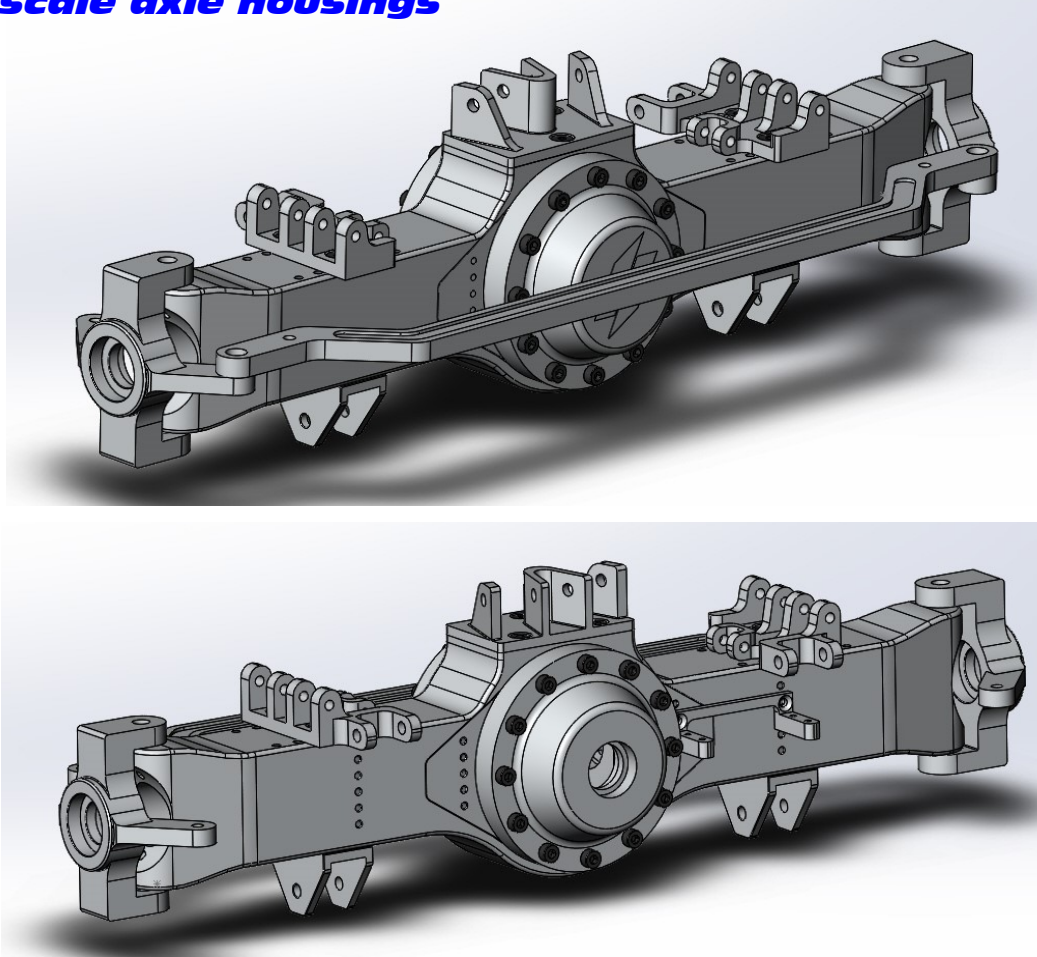

NOTE: the gearcases pictured above are old revision 1 gearcases
The purpose of these photos is to show the axle braces in assembly
