Now Enrolling for our Flex Program

Are you nervous about sending your child back to school but you do not want your child to stay at home alone while you work? Let us help! If your child will be attending school remotely or online this fall, please bring them to our center. As they attend school online, we will monitor and provide academic support to your child. Here's a few details about our program:

- Build a schedule that meets your needs
- Monitoring and educational support from certified teachers
- All grade levels are welcome to attend
- Covid 19 Policy- social distancing, masks, temperature checks
- \$100 deposit per family to reserve your spot due by September 1, 2020 (Deposit goes towards 1st month's payment. Deposit is forfeited if the learner(s) don't attend.)
