Currently, the On Time transport app is operational in Lusaka, Copperbelt, and Livingstone, ensuring thorough coverage and convenience for businesses across these regions.

**Your Safety.
Our Priority**

ON TIME

MISSION

STATEMENT

Delivering transport services of your choice on time.

VISION STATEMENT

- To be the most preferred and reliable online travel partner by the year 2030 in Zambia and Southern Africa.
- To become an online transport market leader in Zambia and Southern Africa.

VALUES AND PRINCIPLES

- **Service Delivery on Time:** We believe in providing a service on time to everyone and everywhere.
- We believe in paying our drivers, partners, and other service providers on time for efficiency and effective provision of service to our esteemed clients.
- **Taxes on time:** Paying taxes on time to the government.
- **Customers First:** Our customers always come first.
- **Expanding access:** We believe broad access to an open marketplace creates greater opportunities for everyone. We aim to serve anyone's need for mobility or work anywhere and anytime.
- **Delivering reliability:** We believe the On Time network should work for everyone in the community.
- We strive to make every ride a great experience, and we design for a balanced and reliable marketplace for today and the future.

VALUES AND PRINCIPLES

- **Providing choice:** We believe flexibility and choice enable more freedom in mobility and work. We provide choices for both drivers and passengers/customers and the network rewards choices that benefit the community.
- **Aligning needs:** We believe it is our responsibility to align the different and sometimes conflicting needs of passengers and drivers.
- We build technology designed to provide reliable earnings for drivers and affordable prices for passengers/customers.

We are also responsible for how value is shared across the network.

- **Being upfront:** We believe everyone should be equipped with the right information to make the best decisions for their needs. We strive to be clear about pricing, matching, and how our technology affects riders and drivers.

WHY CHOOSE US

- On Time is the best local platform of mobility solutions for businesses, and our platform is designed to adapt and grow with your business needs.
- The power, reliability, and reach of On Time can help you:
Save time and costs on business operations like tracking expenses and budgeting
- Streamline business travel and deliveries for employees to keep teams motivated and engaged
- Offer on-demand or scheduled business rides or item delivery to delight employees and guests
- Optimize efficiency, visibility, and control for overhead
- Enhance sales and marketing efforts with rewards and incentives

HOW CAN I USE ON TIME?

Offering rides and delivery solutions to your employees can lead to a stronger team culture, higher employee engagement, and increased customer satisfaction, among other advantages. If you're a HR manager

- Start and contribute to a commute program for employees
- Cover the cost of rides and deliveries to reward employee performance
- Arrange employee transportation to and from the airport in advance
- Track transportation expenses for an employee business trip
- Set up courtesy rides for conference-bound employees
- Establish quarterly transportation travel budgets
- No matter your role or industry, connect with us to learn more about how On Time can support your business
