# NEWGEN SERVICES

An ISO 9001:2015 Certified Company

Delivering Tailored Security Solutions with Excellence Since 2005

NewGen Industrial Security (Guj) Pvt. Ltd. stands as a pioneering force in Security Allied Services Management, proudly comprising a team of seasoned military and other security forces retired members. With a commitment to excellence ingrained from idea inception to mission accomplishment, our decades-long presence under NewGen Services has been marked by providing specialized security solutions for properties, industries, corporate, and personnel.

## MISSION

We don't just safeguard; we innovate with unwavering commitment. Security isn't just a service—it's our mission for a safer, resilient future.

## VISION

Redefine security with proactive, adaptive measures, ensuring intelligent solutions for a secure future.

**Embrace the Future, Secure the Present. In the realm of security, staying ahead is not a vision; it's an imperative.**

*Founder Maj R S Tiwari*

## **Our Award-winning and Cutting-edge Security Solutions**

**Manned Guarding**

**Training Programs**

**Mobile Patrols**

**Executive Protection**

**CCTV Surveillance**

**Risk Assessment**

**Event Security**

### **Ensuring Uninterrupted Support**

**Our Senior Management is Accessible 24x7 for Emergency Assistance**

**6 Guards of NewGen team honored with Prestigious Golden Guards Award by Gujarat CM, Shri Bhupendra Rajnikant Patel in 2023**

When we seize a new contract, it's not a mere uniform change; it's a revolution in protection. Our edge? Pioneering management and industry-specific training, elevating the bar for security excellence and setting an unprecedented standard.

*Director Mr Vikas Tiwari*

## Training Edge Highlights

### Corporate Offices

Tailored programs focusing on access control, conflict resolution, and customer service in line with industry standards.

### Healthcare

Industry-specific training addressing patient privacy, emergency response, and de-escalation techniques, aligning with healthcare security standards

### Manufacturing and Industrial Facilities

Tailored training in asset protection, safety compliance, and emergency response aligned with industrial security standards.

### Port Security

Rigorous training aligned with the International Ship and Port Facility Security (ISPS) Code to ensure maritime security excellence.

### Mining and Natural Resources

Safety protocols, equipment protection, and hazard recognition training as per mining security regulations.

### Chemical and Pharmaceutical

Specialized training in hazardous material awareness, access control, and emergency response following chemical and pharmaceutical security standards.

***We believe that by nurturing our people, we ensure the fulfillment of client expectations with unwavering excellence. Our promises are not just words; they are a testament to the strength and dedication of our exceptional team.***

*Vice-President Maj Anand Thakur*

## **Why Workforces Trust Us**

**Providing Food and Shared accommodation.**

**Founded and led by military veterans, ensuring the highest standards of professionalism and discipline.**

**Guards benefit from subsidized grooming kits, ensuring a consistently polished appearance at wholesale rates.**

**Guards maintain optimal site security during 8-hour shifts, with strategic post rotations and tea breaks for sustained vigilance in 12-hour cycles.**

**Active senior management participation with monthly site visits, bi-monthly zonal head visits, and quarterly senior management visits to client sites.**

**Once a guard becomes part of our family, they actively seek opportunities to continue their journey with us.**

# What Sets Us Apart

## Rapid Response Readiness

Deploying Quick Action Teams at each branch, we stand ready to promptly address any unforeseen client needs or challenges.

## In-House Uniform Workshop

Ensures flexible uniform modifications, delivering a unique and personalized touch to meet client requirements.

## Punctual Payments

Initiating timely payments to security personnel before the 7<sup>th</sup> of each month.

## Compliance Commitment

Adhering to all statutory compliances promptly and consistently.

## Resolution Assurance

Guaranteeing first-call resolution for effective issue resolution.

## Elevate Security Standards

Deploying industrially trained security guards for heightened protection.

## Digital Operation

We operate with a fully integrated digital system, covering everything from recruitment to real-time salary updates, empowers strategic decision-making.

# TRAINING

**Strict adherence to PSARA Training Calendar with regular refresher sessions.**

**Seasoned professionals with backgrounds in Defense Services oversee our training programs**

**Focus on critical areas, including Disaster Management, Risk Management, and Threat Analysis.**

**Our training methodology is a perfect blend of theoretical knowledge and hands-on practical exercises.**

**Tailored modules designed to meet industry and client-specific requirements.**

**We boast a dedicated Mobile Training Team, delivering essential training services on site.**

**Our training equips Guards with knowledge to identify potential risks and take proactive measures to eliminate, reduce, and avoid these identified risks, ensuring heightened vigilance and expertise in addressing the unique security needs of facilities they are in.**

- NewGen Services is committed to creating a meaningful impact by empowering youth, promoting environmental sustainability, and actively engaging with communities for positive change.
- Free training for youth in the security industry with complimentary food and accommodation.

- Contributing to environmental sustainability, we support solar initiatives and reward employees choosing electric vehicles.
