CLINIC

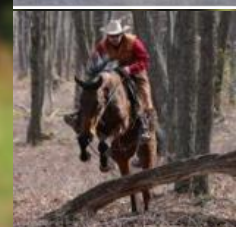

Advance your horsemanship to the next level using principles of refined riding.

- * Learn clear communication with your horse
- * Transitions, direction, impulsion and understanding footfall and mechanics
- * **OBSTACLES:** Build trust & confidence, expose your horse to challenges in a safe, positive and fun environment using principles.

LECTURE w/Q & A (NEW in 2018)

Anatomy as it Relates to Balance & Collection
Patrick's lecture takes you deeper into the inner workings of the horse and helps you to develop an understanding of how balance and collection actually work within the horse's body. You'll begin to better understand how the rider influences the balance and movement of the horse, and how this can be carried forward to help you achieve your horsemanship goals.
(Fee includes: 3 hr lecture, food, beverages & materials)
