May 1, 2018

Dear Valued Chamber Member,

The Federation of the Philippine American Chambers of Commerce (FPACC) has been in existence for over 2 decades. Many great things are happening with FPACC. The most recent was the 2017 FPACC Bi-National Conference held at Scottsdale, Arizona from November 10-12, 2017 and its second leg of the conference was the Los Angeles Business Conference with highlighted events held at Port of LA on November 14th and the B2B Conference with workshops and business expo held at Los Angeles Valley College on November 15th. These events were a success because of your dedication and your active participation with the organization.

Once again this year, we will be actively promoting the Trade Mission to the Philippines. Our previous Trade Mission brought a total of 86 delegates from all over the US to bring some business and investments to the Philippines. Our events are with the full support and cooperation of Philippine Consul General, Philippine Department of Trade and Investment Center, Department of Tourism, as well as the US Commercial Services.

If you are not already an active member, and taking advantage of the benefits that come with it, we encourage you to participate by joining us now by completing the membership form or renewing your membership with FPACC. We will make sure to keep you posted in all our upcoming events. Enclosed is a detailed copy of your Membership Benefits and Membership Application form. It is vital that you keep us informed of your current 2018 Chamber Officers and Board Members so we could update our FPACC Directory listing.

On behalf of FPACC, thank you and will look forward to your immediate and favorable reply.

Best regards,

Marie Cunning
