

Gethsemane Lutheran Pre-school is a Christ centered, play based preschool.

We focus on the whole child. Each class has individual curriculum that will teach developmentally appropriate activities. This includes social, emotional, academic and religious principles.

Our teachers are trained in child development, first aid and CPR. They make the children their first priority.

We know it is hard to leave your little ones and want to assure you our door is always open. Your children are a blessing, and we are so glad we are able to serve them during the day.

CHAPEL

Chapel is held each week on Tuesday and Wednesday morning beginning at 9am. All children attend our chapel service. It is short in length and includes songs, prayers and a short message.
