Funding for Good Shepherd ministries come primarily from the parish through the annual budgeting process or through ministry fundraising efforts. If funding through those avenues is insufficient ministries can apply for support from the Knights of Columbus by completing this request for support.

A. What support are you requesting from the Knights Council for your ministry?

B. When would your ministry need support?

C. If requesting financial support, briefly explain how the funds will be used to benefit your ministry.

D. Has your ministry requested funds from the Parish for this activity through the budget process? Please explain

E. Does your ministry have other means to support the work of the ministry (fundraising, special collection at Mass...etc.)? Please explain

Is your ministry willing to provide volunteers to support the Knights of Columbus in their fundraising & parish activities (e.g. pancake breakfasts, fireworks sales, pie sales, arts & crafts fair, St Patrick's Day dinner...etc)? Please indicate which activities and provide contact information for ministry volunteers.

Thank you for your request. Requests may be submitted by mail, by e-mail, or at the Parish Office. Please allow the Council approximately 30 days to consider your request. Requests for funding in excess of \$500 require 60 days (to provide 30-day notice to members and have them vote on the request at our monthly meeting).
