#### NOTIFICATION PLAN

Describe methods or combination of methods to be used (radio, television, door-to-door, sound truck, etc.). For each section of your plan, give an estimate of the time required, necessary personnel, estimated coverage, etc. Consideration must be given to special organizations (such as schools), non-English speaking groups and outlying water users. Ensure that the notification procedures you describe are practical and that you will be able to implement them in the event of an emergency. (Use the other side if necessary or attach additional pages.)
