Preface

“Our Basic approach remains the same, however our working model is customization with consideration across the board: in product, services, interior design proposals, and project management”...

- * Transparency in approach
- * Sharing our knowledge and expertise, at the same time learn from others be open to new ideas and suggestions.
- * Accepting mistakes gracefully, and taking appropriate and timely corrective measures.
- * Remain committed prior and during a project, and most importantly during the post-completion period.
- * Taking Responsibility for the Entire Process
- * Understanding and accepting the philosophy that in the race for perfection there cannot be a finish line- there is always room for improvement..

CORPORATE OVERVIEW

Diplomat Interior is a multi-faceted interior fit-out and furnishing specialist in workspace design and creation.

Our team has in depth knowledge and extensive experience on how a thoughtfully designed and finely executed workspace can help attract and retain the best talents, enhance your brand as well as substantially improve your overall business performance.

"At Diplomat Interior, we're focused on creating Interiors that you can be proud of..."

Much of our success has stemmed from our ability to clearly understand our client's business, their core competence and the team of people who work there. From the onset of any project, our highly experienced Team will study your hierarchy, business and the space in the finest detail, in order to assist the way in which they work together. Before drawing any conclusions on how the project should be carried forward, they will probe your work flow, energy and efficiency levels, observe your clients and your corporate culture in general. Only then can they sit down with the architects/designers and the project team to plan the optimum solutions for you.

With over so many completed projects in UAE, varying in sizes, we offer a comprehensive range of professional services that extends from – turnkey interior design, fit-out and furnishing solutions.

Diplomat Interior

Our Mission

To provide unique premium Interior Design & production concepts through professional services with utmost integrity & build everlasting customer business relationship.

Our Vision

To be leading Design & Manufacturing Organisation for interior & Furniture

PROCESS CHART

Transparency in the approach to work has been the key factor to our efficiency. This has been achieved by maintaining the chain of communication to a minimum. Therefore our clients will interact with only one person –

“Project Manager”

“Clarity produces efficiency”

With this in mind, we feel that it is important that our clients understand the standard workflow process at an early stage of the project to strengthen the communication.
