FIRST LUTHERAN FOCUS

APRIL 2018

HEARING LOOP

Thanks to a WCDA grant, a hearing loop has been installed at First Lutheran. A telecoil option is installed in most hearing aids, but those who wear hearing aids may have to ask your audiologist to activate or add it to your instrument.

If you don't have a telecoil equipped instrument, the hearing loop will alert you to borrow a loop listener. First Lutheran has three of these available in the sound booth.

TOWN HALL: FINANCE 201

Following up on the discussion which took place last fall and as part of the ongoing work of creating clear and transparent operations for First Lutheran, the Congregation Council is inviting everyone to another Town Hall to hear about the various 'silos' of funds that are part of First Lutheran Church – and which are managed by other groups within the church. The Council has invited representatives from the FLC Trust Fund, Men in Mission, First Lutheran Women, Thrivent Financial committee, and the FLC Altar Guild Board to share their mission and goals for the funds that they oversee.

The Town Hall is scheduled for Sunday, April 29th after the worship service. Please plan to join us.

From The Pastor's Desk....

Dear friends,

This has been an interesting season – this 2018 season of Lent.

It began on February 14th – our popular holiday of Valentines' Day – the day on which we celebrate love! Somehow the idea of mixing chocolate and flowers and hearts didn't automatically connect with our holy Ash Wednesday – a day to remember our mortality. And yet . . .

Now we approach the end of Lent – and the grand and glorious celebration of Easter – which will happen on April 1st – also known as April Fool's Day. Is it possible to mix pranks and jokes and tricks with an open tomb and a bright promise of life after death? (Or even eggs and bunnies and more chocolate?!)

Making new connections – finding new ways to think about our faith – is one of the challenges and joys that I get to work on most every week as I try to connect our Bible reading to everyday life. Here is a quote that I came across recently (on Facebook – wouldn't you know!) that has connected with me in a number of ways - particularly as we arrive at Holy Week:

The cross was not God's invention – it was ours. In all our need for an eye for an eye, I have to wonder sometimes if God listened to us cry for blood and offered his own – if Jesus' sacrifice on the cross was not to sate God's wrath, but to show God's response to ours.

Looking ahead with you to seven weeks of the Easter season – celebrating sunny days and new life!

Pastor Judy

YOUTH NEWS

Sr. High Youth – Wednesday 7:00—8:30

Jr. High Youth – Sunday 6:30-8:00

“Deeper” Group – Monday 5:00-??

For the duration of Lent we have been in a competition called Vets Vs Noobs. The groups have been split up between those who have attended Youth the most against (The Vets) and those who are newer to our groups (The Noobs). On Wednesday Nights we've been attending the Lenten services and then come downstairs for some trivia questions about the church service as well as some fun games and then some short lessons that also go along with the week's service.

During the 3rd week of Lent we focused on reputations. One of the games had the teens moving around the Fellowship Hall in a giant chair labyrinth trying match one another. The Bible verses that week were Proverbs 22: 1–3. The following week we talked about anger and how it affects our faith life. That week's verses were Ephesians 4:26-27.

The 5th week let us look at times we'd like to do over and why does God allow us to make really odd or bad decisions. It's great to get people to realize that we need to be thankful for the good as well as the bad, as they both help define who we are. *Romans 7:15 "I do not understand what I do. For what I want to do I do not do, but what I hate I do."*

Over the course of the past 6 weeks on Sunday Nights we've had the great opportunity to invite the current 6th graders to join in on the Vets Vs Noobs experience. It's been a fun time getting to know all the new kids and we're looking forward to summer arriving to have this class join us every week on Sunday night.

Our current 8th Graders get a chance to join in with the Senior High Youth teens on Wednesday, April 4th. Each year around Easter we have our “Beating The Bunny” lesson which is always a highlight for everyone.

A few things we're looking forward to in the month of April is Ten Dollar Prom and Hotdog Roast. The current Junior class will be picking a new color for the Youthroom towards the end of the month which we will paint the night of Graduation.

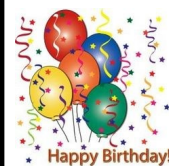

DAY CAMP

The dates have been set – June 4-8, and plans are underway for a great week of Day Camp for 3 year-olds through 6th graders here at First Lutheran! Registration forms will be available on the last day of Sunday School – May 6.

HAPPY BIRTHDAY, MARY!

Mary Ihnen is celebrating a big birthday on April 7th. To honor this event, her family has made a generous donation to our church library (in case you didn't know, Mary is an AVID reader!)

Thank you to Mary and her family!

FIRST COMMUNION FOR FIFTH GRADERS

A class for 5th grade students to prepare them for receiving their First Communion will be held during the Sunday school time on Sunday, April 22 and Sunday, April 29. During the class-time, the students will learn about the significance of meals in the Bible, hear the story of the Last Supper, learn about the ways that communion is offered here at First Lutheran, and bake bread for their first communion Sunday – May 6th.

Parents are invited to attend along with the students.

If you have any questions about the class and/or schedule, please be in touch with me.

A **THANK YOU** from the “Caring Ministry”: Worshipers who attended the Ash Wednesday service and the First Sunday of Lent were offered daily devotion booklets to take home and use during the Lenten season. Tucked inside was a purple yarn crocheted piece made with an obvious outline of a cross in the center as symbol of our Lenten journey.

These many, many pieces were carefully and prayerfully made by two beautiful crocheters: Margaret Grell and Janet Severson. We thank them for their time and nibble fingers.!

April 2018, LSI Bulletin/Newsletter Article and Story

National Child Abuse Prevention Month

According to the Iowa Department of Human Services, 8,892 Iowa children were found to be abused in 2016. The most common forms of abuse included denial of critical care, physical injury, exposure to illegal drugs and sexual abuse.

Lutheran Services in Iowa (LSI) helps combat child abuse through prevention, safety, and stability services, as well as mental and behavioral health treatment.

Through regular in-home visits to families, LSI’s Early Childhood Services prevent child abuse by giving parents the support, education, and resources they need to build a healthy, stable home for their children. In 2017, our Early Childhood programs provided more than 15,000 in-home visits to families.

LSI’s Family Safety, Risk, and Permanency Services help children and families already involved in a crisis or abuse situation to become safer and more stable, and LSI’s Bremwood and Beloit Residential Treatment Centers serve many children and youth who have experienced trauma from past abuse or neglect.

You make a direct impact on these children and families through your support of LSI. Thank you!

Our Mission: Lutheran Services in Iowa responds to the love of Jesus Christ through compassionate service.

LSI is an affiliated social ministry partner of the Iowa congregations of the ELCA (Evangelical Lutheran Church in America) and a member of LSA (Lutheran Services in America). We proudly serve people of all ages, abilities, religions, sexes, gender identities, national origins, ethnicities, races, and sexual orientations.

Building a Stronger Family

Stacy’s daughter, Danikah, was a happy and playful toddler. But things began to change when her baby brother, Parker, was born. She was happy to see him in the hospital at first, but she struggled to adjust to a new child at home, especially when it came to sharing a room with Parker.

Stacy found LSI’s New Parent Program shortly after Parker was born, and she hoped it could help her daughter adjust to the changes at home. The free, voluntary program provides support and education to families during and after pregnancy. Through the program, Stacy gets to meet other families in her community, and Danikah gets to interact with other children who have siblings.

Danikah is learning how other siblings share their toys and interact. Meanwhile, Stacy is learning to adjust to her children’s developmental stages. Through the program, she has learned to potty train Danikah and manage her daughter’s temper tantrums.

At home, Stacy and her children receive regular visits from their LSI team. Each week, the team brings creative new crafts Stacy can make from materials around the house. Danikah, now 5, is always eager to learn a new activity from her LSI worker during each visit. She’s even starting to share her homemade toys with Parker. “The program is fun for the kids, but you can also do things as a family,” Stacy says. “You get that time with your child, and you’re building a better relationship in the process.”
