PASTOR'S PAGE

The writer of Ecclesiastes proclaims, "For everything there is a season, and a time for every matter under heaven...a time to weep, and a time to laugh; a time to mourn, and a time to dance...." (Chapter 3 verses 1, 4 and 5). Traditionally there are many occasions to live into this passage and typically we all would be busily planning for how we will celebrate Thanksgiving and Christmas. But this year looks so different. This Covid-19 pandemic has thrown all of us for a loop. We are all exhausted from the contentious election. And we do not really know how we are going to move forward with our family gatherings, special worship services and come through the next few months.

One of my go to books about grief is titled *Life is Goodbye, Life is Hello* grieving well through all kinds of losses. Your lack of energy or your inability to focus or get too hopeful is part of grief. And whether you want to call it that, 2020 brings us to a point of grief. We grieve what we have not been able to do. We grieve the celebrations that we have put on hold or just gave up on. We grieve the freedom to just get together with friends and loved ones without wondering if it is safe.

My suggestion to you is be ahead of the game for your plans for the next two months. My mom died my senior year in high school and my dad suggested that we do something different for Christmas that year. Instead of staying home the five of us drove to Tennessee to spend Christmas with mom's family. It was different. There was still a sadness that hung over our days. But it was wonderful to be with her family and to be able to laugh and tell stories with each other. We even took in a show at the Grand Ole Opry.

Grief is not just related to the death of loved ones. Grief comes and goes, we laugh, and cry and it reflects that we love one another. Grief comes because we are created for community and long to be with others but this year, we must change how we go about our times together.

This year will be different, but we still have so much to be thankful for. This year we are challenged to be creative and think in new ways of how to worship and be with our families. Last month I encouraged you to start a gratitude journal. Every evening before you go to sleep write down five things that you are grateful. It is never too late to begin and it could be a great gift to share with others on Thanksgiving, Christmas Eve and New Year's Day.

Blessings to each of you!

Pastor Becky

WHAT'S THE RUSH?

Why are we trying to do a Special Congregational meeting on November 1st? Two Reasons

- 1) Adopting the constitution updates from the 2019 Churchwide Assembly. One of the updates allow us to do Congregational meetings by remote communication. This makes it possible for members to join our meeting through Zoom.
- 2) Take First of two votes to change the Annual meeting to January so that it is in sync with the fiscal year.

October 12, 2020

To the congregation of the First Lutheran Church,

A special meeting of the congregation of the First Lutheran Church in Northwood, IA was called Sunday, October 11, 2020. Unfortunately, a quorum was not met and this meeting has been rescheduled to Sunday, November 1st, 2020. The meeting will be held at 9 AM, in the sanctuary, immediately before worship services.

The ELCA church wide assembly met in 2019 and updated the model constitution. This special meeting is called to vote on adopting these updates into First Lutheran's constitution. One vote of the congregation, by ballot, will update our constitution. A summary of the updates is listed below. If you would like to review the entire constitution prior to this meeting, you may pick up a copy at the church office or have it sent via email from Christa (christa@flcnorthwood.org). Copies will be available at the meeting as well.

Constitution Updates:

- Throughout the constitution are general editing changes as well as language change to reflect the two categories of Rostered Minister as Word and Sacrament/Pastor and Word and Service/Deacon.
- C10.08. and C12.13. was added to allow for holding meetings by remote communication of both the congregational and Church Council.
- Removal of C10.01.01 and adopting the model constitution language of the Annual meeting date to be determined in the bylaws.

This letter will also serve as notice from our audit committee that an audit was completed on January 13, 2020 and no discrepancies were found regarding finances from 2019. You are receiving this notice because the annual meeting occurs every year in November before the fiscal year is complete (ends December 31st). You will be required to receive notice every year that such an audit has been completed unless the annual meeting and fiscal year are aligned. At the special meeting on November 1st, we will again discuss and vote on changing the annual meeting to January to align with the fiscal year. To officially change the annual meeting date, the congregation will have to approve this on two separate occasions. Once at the special meeting on November 1st, and then again at the annual meeting (scheduled for November 15th).

If you have questions or concerns regarding the proposed changes to the constitution, please contact Pastor Becky. Email address: pastorbecky@flcnorthwood.org, cell phone: (612) 718-9151, home phone: (641) 323-7177.

Sincerely,

YOUTH NEWS

Both Youth groups have been getting into a more normal routine this past month. Getting used to having Youth meetings in the Fellowship Hall and continuing to socially distance from each other. Attendance wise, numbers have been the biggest since before Covid hit back in March.

In the middle of the month, we were saddened to learn of the passing of one of our Youth, Ian Husske. It's so very hard to even put into words how big of an effect this has had on myself and all the teens of this community. The Senior High students were able to gather on a Wednesday afternoon to talk about what had happened and how we were all feeling.

I was also able to spend two days at the school talking to students and helping guide them through this situation. Over the course of the next week, we had 7 students show up for Youth for the very first time. In the midst of so much negativity, there are positive things happening.

One of the students came up with the idea to paint one of the bricks bright orange as a memorial to Ian. Orange was his favorite color, and we'll have a brick to remind us of him until his class graduates in 2023. Once we get back into the youthroom after Covid, you'll be able to see it in our group photos that get posted to Facebook.

Looking forward into December, we are currently not planning on having any Lock-Ins over Christmas break as it would be too difficult to socially distance all night as well as having the teens sleep with masks on! I'm being hopefully optimistic that we may be able to have them over Spring Break in March.

LSI Bulletin/Newsletter Article and Story

National Adoption Month

November is National Adoption Month, a time to honor families who have opened their hearts and homes to children in need. For LSI, it is a time to celebrate the families we support through Foster Care and Adoption, and to raise awareness for the hundreds of Iowa children in need of a safe, loving home.

In 30 counties across western Iowa, LSI Foster Care and Adoption recruits, licenses, and supports foster and adoptive families to ensure every Iowa child grows up in a safe, stable environment.

But more work needs to be done. According to the most recent federal data, more than 100,000 children in the U.S. are waiting to be adopted from foster care, and thousands of teens age out of foster care every year without a permanent family. To learn more about supporting Iowa children in foster care, visit LSIowa.org/Foster, or contact Deb Whitford, LSI's director of philanthropy and church relations, at Deborah.Whitford@LSIowa.org or 563.676.2065. LSI is also available to provide a customized virtual shared ministry opportunity for your congregation. If you would like to share the message of LSI with your community, please contact our Waverly office at 319.352.2630 to get started.

“There is Hope”

As a young child growing up in multiple foster homes, Abby dreamed of a forever family. When she moved in with foster parents Joe and Dee, Abby knew she'd found the perfect family for her. Joe and Dee had already adopted two of their sons by the time Abby entered the family, and the children immediately bonded. When Abby was no longer able to reunify with her birth family, Joe and Dee decided to adopt her into their family.

“The kids bless our lives,” Joe says. “I wish people knew what kind of family you can have through foster care and adoption, and how much love these kids have to offer.”

Abby is now a 17-year-old preparing to graduate high school in the spring. She has found a forever family that encourages her to pursue her passions and with the support of her parents and siblings, Abby has found success as a high school wrestler, earning top awards and titles throughout her high school years.

Since being adopted into Joe and Dee's family, Abby has openly shared her story at National Adoption Month events in her community. She wants to raise awareness about foster care and adoption across Iowa, inspire families to become foster and adoptive parents, and she hopes her story can inspire other kids looking for the same loving support system she has.

“To other kids out there in my situation, there is hope,” Abby says. “You will find the perfect family that will give you all their love and care for you, no matter what.”
