

We emphasize the importance of prayer in the life of our church through **ONE CHURCH ONE DAY PRAYER** on the first Tuesday of each month.

***Please join us in prayer and praise for our church and community on September 5th!***

### Church Family PRAISES!

Praise the Lord for a great VBS with over 100 kids participating! We are grateful for a smooth-running week with no injuries or problems and everyone having a lot of fun as they heard about Jesus!

Praise the Lord for a productive Project Hope Work Day at Walterville School and a very successful Project Hope Kid's Fair at Maple Elementary!

Praise the Lord for the preliminary work that has been done to hook up the generator at church. As the parts come in, the job will be completed!

### Church Family Health / Needs

Pray for good health for our congregation and community as the season changes, school starts, and people get back indoors.

Pray for renewed health and recovery for the many who have recently been on our church Prayer Network.

Pray for those who struggle with on-going health concerns. May the Lord bring relief and renewed hope.

### Church Family Growth in the Lord

Pray for the individual daily devotional times for our church family members to be rich with a sense of God's presence and power.

Pray for spiritual growth as our church family reflects on the promises of God that we have recently studied:

God keeps His promises / God promises eternal life / God promises peace / God promises His presence

Pray for some of the newer folks in our church to become connected and begin to serve in the various ministries.

### Church Family Outreach

Pray for our invitations to friends and neighbors to attend church to bear much fruit. May we see new families join us this fall and attending families become even more involved.

Pray for the impact on children and families from our 2023-2024 His Kids Afterschool Program. Pray, too, for enough leaders and helpers with the increased attendance we have been seeing.

Pray for connections with new families in our community through the renewed emphasis of our "Welcome Bags" this fall.

### Camp Creek Community

Pray for the kids as they return to school this month. Pray, too, for all the teachers, staff, and administrators. Pray for safety on Camp Creek and Upper Camp Creek Roads during the busy fall season with school busses and additional traffic.

Pray for continued protection for all the fire fighters in our region. Pray, too, for more beneficial rains to quench the current fires and prevent new ones.
