

SUPREME COURT OF THE STATE OF NEW YORK
COUNTY OF NEW YORK: PART 59

THE PEOPLE OF THE STATE OF NEW YORK

-against-

DONALD J. TRUMP,

Defendant.

PEOPLE'S SUPPLEMENTAL
NOTICE REGARDING THE
PRODUCTION OF RECORDS
FROM THE U.S. ATTORNEY'S
OFFICE

Ind. No. 71543-23

The People's March 14, 2024 Notice advised the Court that the United States Attorney's Office produced approximately 73,000 pages of records to defendant between March 4 and March 8 in response to defendant's January 2024 subpoena (the vast majority of which are irrelevant to the subject matter of this case and therefore were not part of the People's prior requests to that office); produced approximately 31,000 pages of additional records on March 13 in response to defendant's subpoena (a subset of which relate to the subject matter of this case and which contain materials included within earlier requests for records by the People); and had not yet completed its productions in response to defendant's subpoena.

To the extent it bears on this Court's consideration of the People's Notice and defendant's response, this is to inform the Court that the USAO advised both the People and defendant today that it expects to make a final production of approximately 15,000 records today, which will complete its productions in response to defendant's subpoena. We understand that the vast majority of the forthcoming records, like the initial productions, are likely to be unrelated to the subject matter of this case and not within the People's prior requests.

DATED: March 15, 2024

Respectfully submitted,

ALVIN L. BRAGG, JR.
District Attorney, New York County
