Nov-Dec- 2026 KL Edition Be Thankful to God Happy Thanksgiving and Merry Christmas!

Greetings Brother Knights, Sister Columbiettes, and Delaney Council Family.

**From the Desk of the
Grand Knight:**

CHRIS CHALMERS

As we approach the holiday season, it's a good time to reflect on our accomplishments and the many blessings we have to be thankful for. Our Council continues to demonstrate the true spirit of the Knights of Columbus through charitable works, support of our parish, and fellowship. I am especially grateful to our members and volunteers who generously give their time and talents to make our programs and events successful.

Your dedication is what makes our Council special.

Thanksgiving reminds us of the importance of gratitude, family, and friendship. As we enter Advent and Christmas, we prepare our hearts for the birth of our Savior while remembering those less fortunate or in need of companionship.

In that spirit, I encourage everyone to reach out to our older Brother Knights who may no longer attend meetings or events regularly. Something as simple as offering a ride can make a difference. These men have contributed so much over the years, and helping them stay connected is a meaningful expression of Charity, Unity, and Fraternity. If you need a ride, please contact me and I will be happy to assist.

We have several opportunities to come together during the holiday season. I encourage everyone to participate, enjoy the fellowship, and help us finish the year on a strong note.

On behalf of your council officers and myself, best wishes for a blessed Thanksgiving, a joyful Christmas, and a happy and healthy New Year.

Fraternally,

Chris Chalmers Grand Knight 2026-2027

Council Membership Report:

Thank you to all our members who helped with September's recruitment efforts and C&B ticket sales at St. James parish. Your time and support make these activities possible. A special thank-you to Deacon Chris, Deacon John, Worthy GK Chris, and our Worthy District Deputy Matt for speaking at the Masses about our parish and community service as well as the good work our council and members do.

Recruiting new members is a responsibility we all share—not just for myself and a few members. I ask every member to invite someone to learn more about the Knights and ask them to get involved. New members strengthen our organization, bring fresh ideas, and provide the helping hands needed to conduct our programs.

The council welcomes our new brothers, Brian Rose and James Sassano, to the Delaney family and we look forward to them bringing their time and talents to the Order. Congratulations to the council's newest Sir Knights, Robert Gersitz, Kurt Ludwig, Robert Licata, and Thomas Licata all made the Exemplification of Patriotism on October 11th at St. Anthony's Parish in Oceanside, congratulations.

Chancellor's Corner

Dear Brother Knights,

A recent Gospel reading made me think of how I sometimes start my day with little or no direction. I needed to start by thanking God for the wonderful things that I enjoy every day. (Family, Friends, Health and the Holy relationship that He offers every minute of the day). God extends an invitation to us to attend the ultimate party in heaven, and we don't always respond promptly. What are our current excuses for this delay in engaging with Him? The great news is that the invitation is always open, and we can respond by deepening our relationship with him with our prayers and actions. Jesus is always knocking at the door to our hearts. All we have to do is let him in.

God Bless you,
John Daly

The TRUE THANKSGIVING
Oh, give thanks to the LORD, for He is good! PSALM 107:1

The first homily I ever preached was on Thanksgiving Day. I would like to share it with all of you, it is still true today. Many of us will gather together with family and friends.

We will give thanks to God, for the good fortune we are having in our lives, our nice cars, our career, for our family and friends, most likely for all the good in our lives.

If I was to ask you when and where was the first thanksgiving, most of us would say that it was in 1621, when the Pilgrims celebrated the bountiful harvest with the local friendly Indians in Plymouth Rock.

Actually, the first recorded thanksgiving took place in Virginia more than 11 years earlier, and it was far from a feast. It was at Jamestown, during the winter of 1610, it had reduced the group of 409 settlers to a mere 60. The survivors prayed for help, not knowing when or how it might come. Help finally arrived, in the form of a ship from England; it was filled with food and supplies. The first thing the surviving settlers did was to hold a prayer meeting, to give thanks to God. You would think that after seeing 349 of their loved ones die due to the harshness of the New World, they would not feel like, or have anything to be thankful for.

However, the opposite was true. They realized they had much to be thankful to God for.

For them it was a blessing to be a Christian.

We often don't realize how blessed we are, or how thankful we ought to be, until what we have is threatened or taken away from us. All because of the sin of Adam and Eve in the world. Things go wrong. our plans fail.

- The outcome of our goals sometimes aren't what we had hoped.
- Tragedy strikes. Death takes its toll, on a loved one;
- Even people, who are faithful to God, lose their lives because of the foolishness and sinfulness of others.
- Sometimes pain is a part of our everyday life. Some days our faith wanes, and we wonder where God is.
- Life gets tough and we see innocent people suffer. We see people struck down by drugs and alcoholism, Although we know we can have joy in our trials, and God works it all together for our good, God has certainly been good to every single one of us. Sometimes we just don't see it.

For we Catholics, every day ought to be a day of thanksgiving.

But, we need to remember to also give thanks for our crosses, that through our crosses we have grown closer to God, through them and from them we are able to see God's graces, sometime through the kindness of a total stranger.

It is good and fitting that, we celebrate Thanksgiving for God.

We should give thanks to God that we were not tempted by the evil one, to give in to our sinful nature, or our addictive past, I thank God that I did not sin today!

The Apostle Paul had learned the meaning of true Thanksgiving, even in the midst of great adversity. Look at what he wrote during his prison experience: "Sing and make music in your heart to the Lord, always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ (Ephesians 5:19-20)."Always giving thanks ... for everything" no matter the circumstances. His guards and fellow prisoners must have thought him crazy-but that didn't stop him. Thanksgiving for Paul was not a once-a-year celebration, but a daily reality that made him a joyful person in every situation. Is that true of us?

So like those early pilgrims of Jamestown, what hardships and crosses are we thankful for today?

-Deacon Chris

This year the first day of Advent is Sunday November 29th

What is Advent?

As we walk through the journey of Advent into Christmas this month, we recall that Christ became a member of the human race when He was born into a family, the Holy Family. As challenging as it may be at times, family life is also our richest blessing, and when we consecrate our families to the Holy Family we will never be lacking in anything.

Advent is a time of preparation for celebrating the birth of Jesus Christ. Many people use Advent to stay focused on the true meaning of Christmas before the holiday rush takes over.

Advent is the Catholic liturgical season of preparation leading up to Christmas Day. During Advent we anticipate the coming of Jesus as a baby. It's a penitential time full of reflection, excitement, and hope as we prepare to celebrate his birth.

When Does Advent Begin?

Advent officially begins four Sundays before Christmas and ends on December 24. It marks the beginning of the Catholic Church's liturgical calendar year. Four weeks isn't long, but that still leaves plenty of time to spend some quiet time preparing for Jesus' coming. Advent Season starts on the fourth Sunday before Christmas and leads up to the Nativity of Christ and the second coming of Christ.

What Is Advent Season?

Advent Season is a very special time of year that sometimes gets lost in the bright lights of the Christmas season it precedes. The first day of Advent is the first day of a new Liturgical (or church) calendar and begins a four week period of preparation for the nativity of Jesus Christ at Christmas. The Advent Season is all about reflecting on how we can prepare our hearts and homes for Christ's birth in the world as it is today. It is a time for faith communities and families to remember, through prayer, reflections, special music, and good deeds what the true meaning of Jesus' birth is.

Advent Wreath

The most significant tradition of the Advent season is the four-candle Advent Wreath. The evergreen wreath and candles are full of symbolism tied to the Christmas season. So what does the Advent Wreath symbolize? The wreath itself, which is made of various evergreens, signifies continuous life. The circle of the wreath, which has no beginning or end, symbolizes the eternity of God, the immortality of the soul, and the eternal life we find in Christ. Even the individual evergreens that make up the wreath have their own meanings that can be adapted to our faith. The laurel signifies victory over persecution and suffering. The pine, holly, and yew signify immortality and the cedar signifies strength and healing. The pine cones that decorate the wreath symbolize life and resurrection. The wreath as a whole is meant to remind us of both the immortality of our souls and God's promise of everlasting life to us through Christ. The advent wreath symbolizes newness, eternal life, and the death and resurrection of the promised Messiah.

Advent Candles

The candles also have their own special significance. The four colored candles represent the four weeks of Advent, and one additional candle is lit each Sunday. The flames of candles are a representation of the Christmas light approaching, bringing hope and peace in the struggle against darkness.

- The first candle, which is the color purple, symbolizes hope. It is sometimes called the "Prophecy Candle" in remembrance of the prophets, especially Isaiah, who foretold the birth of Christ. It represents the expectation felt in anticipation of the coming Messiah.**
- The second candle, also purple, represents faith. It is called the "Bethlehem Candle" as a reminder of Mary and Joseph's journey to Bethlehem.**
- The third pink candle symbolizes joy. It is called the "Shepherd's Candle," and is pink because rose is a liturgical color for joy. The third Sunday of Advent is Gaudete Sunday and is meant to remind us of the joy that the world experienced at the birth of Jesus, as well as the joy that the faithful have reached the midpoint of Advent.**
- On the fourth week of Advent, we light the final purple candle to mark the final week of prayer and penance as we wait for the birth of our Savior. This final candle, the "Angel's Candle," symbolizes peace. It reminds us of the message of the angels: "Peace on Earth, Good Will Toward Men."**

This month let us challenge ourselves to make time for the family meal, particularly on Sundays. This challenge includes putting down phones and devices so we can talk to each other uninhibited by noise and distractions.

Let us live Advent in the spirit of Mary and Joseph as they prepare for the Child to come.

**HAPPY ADVENT

New York State Council Report State Council Report

As our councils get busy with their programs and events, so does our New York State council. They have held their annual pilgrimages to the Saint Anne's Shrine on the Isle of LaMotte, the Shrine of the American Myrtars in Auriesville, and Our Lady of Fatima Shrine in Lewiston.

Planning for the Mid-Year meetings in December are under way and the State Council will bring together all of our District Deputies, Major & Minor Conference Chairman, State Officers, and State Directors for a review on the state of the state. Let us not forget the important programs for this time of year, Coats for Kids, Food for Families, and the Keep Christ in Christmas poster contest are just a few that councils should be planning to support.

MSGR. William A. Delaney Knights of Columbus Held a 9-11 Remembrance Gathering...

The Msgr. William A. Delaney Council of the Knights of Columbus held a 9-11 gathering and service on Friday September 11, 2026, at the Council Facility located at 110 Merritts Road in Farmingdale. The program consisted of lowering the exterior flag at the building to half mast to mark the souls that perished twenty-five years ago on the dreaded day. This was followed by a candlelight ceremony indoors with a program and service led by the Associate Chaplains of the Council, Deacon John Horn and Deacon Chris Daniello.

All attendees had a copy of the program and read aloud the parts that required all to participate in the service. Grand Knight Chris Chalmers also was part of the Ceremonial team that led the service. He later thanked all in attendance and Chairman Sean O'Connor for organizing the service as this was the first of its kind at the Council Hall.

The program concluded with all viewing the Mets/Yankees Subway series game and Dinner of Hamburgers and Hot Dogs with Salads and Condiments was served. Raffle was held and the winner was Eileen Tucci of \$160.00 for her half of the prize. The Council looks forward to next year having this program again. The photo of this event in this Nightlight shows the attendees that enjoyed the evening.

The Memorial of Our Lady of the Rosary was instituted to honor Mary for the Christian victory over the Turks at Lepanto on October 7, 1571. Pope St. Pius V and all Christians had prayed the Rosary for victory. The Rosary, or the Psalter of the Blessed Virgin Mary, is one of the best prayers to Mary, the Mother of God.

Pope Benedict XVI invited all families to pray the Rosary for the intentions of the Pope, the mission of the Church and peace. "It is as if every year Our Lady invited us to rediscover the beauty of this prayer, so simple and profound."

This feast was instituted by Pope St. Pius V in thanksgiving for the great naval victory over the Turks at the battle of Lepanto on this day in the year 1570, a favor due to the recitation of the Rosary. This victory saved Europe from being overrun by the forces of Islam.

Pray the Rosary, or 5 decades of the Rosary tonight with your family. Read the encyclicals on the rosary, and Pope St. John Paul II's last apostolic letter on the rosary from 2002.
