

Loving Home Dog Care In-Home Pet Care & Dog Walking

Thank you for your interest in Loving Home Dog Care! Our team provides a wide range of care services for all kinds of pets in their homes 365 days per year.

Caregivers: We are responsible, pet-loving adults that are trained in pet care, health and safety. We are a family owned and operated business. We love what we do and it shows! We have a primary and back up person for each client and we also try to provide the same person as often as possible. All sitters are employees (not independent contractors); they consistently provide professional and loving care.

Safety: Safety is our first priority. We require a completed safety sheet so we can take the extra steps needed to be as safe as possible.

Rates: We do not charge extra fees for multiple pets; please allow enough time for us to provide good care for your pets.
