## Prayer Time

Lord, thank you for this beautiful, fresh new day. Thank you despite the worry that woke me up or the gut punch of loss that came to mind. Thank you for all the plans and purposes that you have for me. Give me vision and wisdom as I make decisions. Even when I wake up to chaos, give me nudges of your sweet direction as I amble through the morning. Teach me to trust you with everything that is on my to-do list today. I long to live with purpose and joy in my heart. I know that true joy and purpose can only come from you. Show me where I am leaning on the world for peace and joy. Show me what I am focusing on in the morning hours that negatively affect my days. I want to live in full trust of whatever you have for me. Please fill me with the fullness of joy that you promise in your Word. Fill me with your Holy Spirit as I go about my day, reminding me that I am loved and created for a purpose, even when the tasks in front of me seem mundane. Help me to remember to work for the Lord in all that I do. (Colossians 3:23)  
 In Jesus' precious name, I pray, amen.

## Will You Consider Jesus?

Do you ever look at technology, or a building, or a car, or even a gadget and think to yourself, "I wonder you came up with that?"

We see things like the Empire State building, and are in awe of the craftsmanship and beauty, but are we familiar with the names John Raskob and Al Smith?

How about that little box in your kitchen that can cook a pizza in 3 minutes? Yes, we all know and are very familiar with the microwave, but do we consider Percy Spencer?

The forementioned men were the designers of these feats of mankind. And although their name may have been known at the time, or in the news then, I'm banking that most of use didn't know who they were before this writing.

In like manner, we are all (even non-Christians) familiar with "church". The church is not a building that is made by man, it is not a location at all. The church is God's people, followers of Jesus Christ.

Do we (in our hearts and minds) do the church justice by considering its builder? Do we abide in the commands of its architect? Do we read the manual that was written by The Creator? My encouragement for us all is to, not "go to church" because it's Sunday, but rather let us BE the church that we are called to be, and most importantly let us always consider Jesus in all that we do!

Hebrews 3:1

1 Therefore, holy brothers and sisters, partakers of a heavenly calling, consider the Apostle and High Priest of our confession: Jesus;

See you soon, Mike

## On the Lighter Side

A preacher was walking down the street one day when he noticed a very small boy trying to press a doorbell on a house across the street. However, the boy is very small and the doorbell is too high for him to reach.

After watching the boy's efforts for some time, the preacher moved closer to the boy's position. He stepped smartly across the street, walked up behind the little fellow and, placing his hand kindly on the child's shoulder, leaned over and gave the doorbell a solid ring.

Crouching down to the child's level, the preacher smiled benevolently and asked, "And now what, my little man?" To which the boy replied, "Now we run!"
