WOW!

I don't know about you guys but I am having a blast this summer. Working with kids and having them over to the house hanging out is fun. It definitely has its moments where I think "is it over yet", but all in all, it is a blast. Seeing kids talk about God, or answering questions about His word is very rewarding.

We have on camp in the books so far. Camp Apollos is a preacher training camp hosted by the Sunset International Bible Institute. Jonathan and Joshua both took part in this along with 20 other students from around the area, Oklahoma, and Missouri. We have a couple a more camps coming up, but the one I am most excited about is our "in-house" church camp. Although the location of this camp is in the air at this time, multiple people are already well on the way in planning for this camp. Donations have been made, and they are much appreciated.

Last years attendance for the camp was 14 kids, and 11 adults, all except one are members of this local body. WOW! We hope to increase that number this year. God has blessed our congregation with growth over the last year, with some repeat visitors that may eventually call Crescent Park home. Let's be in prayer about this.

Anyway, in addition to the camps that the youth of our congregation are participating in, there are several congregational events I want to let you know about.

Ladies Craft Day will be on **Friday June 12th**.

Our quarterly luncheon is on the books for **Sunday June 14th**.

There will be a game night on **Friday June 19th**

After classes, "Church at the Park/Weenie Roast" will be **Wednesday June 24th**.

We are planning an Ice Cream Social for **Saturday June 27th**.

4th of July celebration at the Hansen's Saturday **July 4th**.

There will be more opportunities in July for fellowship. On that note I would like to leave you with this exhortation from the book of Acts.

"And they devoted themselves to the apostles' teaching and the fellowship, to the breaking of bread and the prayers."

Not only did the first century Christians follow the teaching, and breaking of bread, and prayer of the apostles, they also followed the example of **fellowship!** Let's not forget about this simple act that **will** encourage you and those around, and **will** also glorify God!

See you Soon—Mike
