

Andrew Clyde Does NOT Support Veterans, and Never Has

April 25, 2025

Andrew Clyde loves to tell you about his “combat days. He loves to do photo-ops with Veterans and Veterans facilities. He loves to give speeches to audiences of Veterans who have been pre-screened to ensure they’re his supporters.

Andrew Clyde also loves lying to Veterans, and betraying us.

Why did he vote *AGAINST* NINE Veterans bills?

He claimed it was because they contained amendments or "poison pills" he didn't like, but he never bothered to write and sponsor a clean version of ANY of those bills.

In fact, since taking office, Andrew Clyde has NEVER written or sponsored a pro-Veterans bill. Not one. *ZERO*

But he found time to write plenty of gun bills he personally profited from.

Clyde doesn't support Veterans. He lies to us and works against us, and grins while doing it. He talks a lot about his concern, but that’s as far as it goes. He talks a good game. But that’s all it is to him; a game to get votes ... a game called “Keep Me At The Tax Dollar Trough.”

As an Army Veteran, I'd rather that Clyde looked us in the eye when betraying us instead of stabbing us in the back. But that takes a courage that Andrew Clyde doesn't have. I have combat boots, too, “Congressman”. I just don't use them as props.

District 9 Deserves Better than Andrew Clyde.
