

Exhibit A

PLEASE NOTE: This Exhibit does not contain figures for every claimant, but only those figures which have been publicly revealed in the liquidation process. Some claimants' losses may still be deemed confidential, and these potentially confidential numbers have not been listed in this Exhibit A. If no dollar value is listed by your name, that does not mean that you are not entitled to a recovery.

You should contact Co-Lead Class Counsel at (318) 445-4480 or (504) 522-0077 to learn the dollar value loss which has been calculated for you, and then take appropriate action either to confirm that you agree with that value, or supply alternative information for the Court's consideration as to what you think the valuation should be.
