

2026 Miami County Solid Waste Programs

PROGRAMS, PRICES & LIMITS ARE SUBJECT TO CHANGE WITHOUT NOTICE.

The annual fee covers the recycling & hazardous waste disposal programs for the entire year.

The bulk program, which is not covered by the annual fee, applies additional charges for non-recyclable items that do not fit in your regular trash bin; these fees help cover the cost of the roll-off container provided by the district. Please note that regular household trash and construction materials are not accepted.

Due to insurance regulations, you are responsible for unloading your vehicle. The District cannot assist.
