

# 2026 Miami County Solid Waste Programs

**PROGRAMS, PRICES & LIMITS ARE SUBJECT TO CHANGE WITHOUT NOTICE.**

The annual fee covers the recycling & hazardous waste disposal programs for the entire year.

The bulk program, which is not covered by the annual fee, applies additional charges for non-recyclable items that do not fit in your regular trash bin; these fees help cover the cost of the roll-off container provided by the district. Please note that regular household trash and construction materials are not accepted.

**Due to insurance regulations, you are responsible for unloading your vehicle. The District cannot assist.**
