

*Tucked in the heart of Pittsburgh's countryside there's a one-of-a-kind production facility, KBN Studios. Located in the New Castle area, we're just 40 minutes from the Greater Pittsburgh International Airport and one hour from Downtown Pittsburgh.*

*Our location – and our studio – is a rare find.*

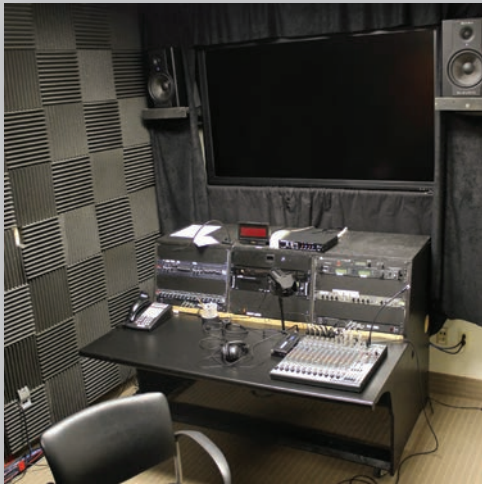

*Welcome to rolling hills, tranquil waters, woodland trails, old world charm of Amish country, quaint antique shops, prime outlet shopping, and, of course, cutting-edge HD production.*

*KBN Studios is an independent, state-of-the-art, full service HD television studio with 3,500 square feet of space. A true turnkey operation, we provide everything from a 70 x 50 stage and 800 amp lighting grid to a 60 x 30 green screen and 100 lighting instruments.*

*Our generously equipped production facility also includes a fully functional kitchen, studio control room, edit suites, green room and talent prep rooms with hair, makeup and salon amenities.*
