

WORSHIP 9:00 & 10:30 AM

We offer two worship services that are more alike than different. The only difference some weeks may be that the song selection during the 9:00 service is more traditional, while the song selection for the 10:30 service is more contemporary. But regardless of the different styles we may sing—we are striving to be ONE CHURCH in the worship of our ONE GOD.

The best way to grow in Christ and in community here at PCC is by participating in one of many LifeGroups. We have a variety of groups that meet on Sunday morning and during the week. Please read over our various group options and see which group would be best for you. WE LOOK FORWARD TO YOU JOINING US!

STAYING HUMAN IN THE AGE OF ARTIFICIAL INTELLIGENCE (AI)

Featured Speakers Include:
Abdu Murray, Grechen Huizinga, John Lennox & John Stonestreet

Thursday, August 6 @ 7pm
Livestream Event at PCC

The surge of questions surrounding artificial intelligence are not ultimately about technology, but about *us* as humans made in the image of God. Our ability to create new technologies has clearly outpaced our moral and ethical formation as a people. As AI advances, Christians must consider questions such as:

- What does it mean to be human in an AI age?
- Are we replaceable?
- Do the promises of AI outweigh the perils?

Christians are called to respond differently from the world, and we were made to think, create, commune, and work. The good news is God defines reality and has made humans in *His* image. And as image bearers, we are called to this precise moment in history for His purpose. Join Abdu Murray, Gretchen Huizinga, and John Lennox (virtually) as they help us explore how Christians can live out our God-given humanity in an increasingly AI-driven world.
