

WORSHIP 9:00 & 10:30 AM

We offer two worship services that are more alike than different. The only difference some weeks may be that the song selection during the 9:00 service is more traditional, while the song selection for the 10:30 service is more contemporary. But regardless of the different styles we may sing—we are striving to be ONE CHURCH in the worship of our ONE GOD.

While most of our LifeGroups are taking advantage of the summer schedule to break from their regular meeting schedule—ALL of our groups will soon be back this fall. Please read over our various group options and see which group would be best for you. WE LOOK FORWARD TO YOU JOINING US!
