2025 Sponsorship Request Letter

Dear Dodgeville Area Business:

The **Dodgeville Diamond Club** was established in 2018 to manage and support our youth tournament baseball and softball teams. The Diamond Clubs main goal is to provide each participant and person associated with the Dodgeville programs the best possible experience. Our goal is to help these kids develop the skills enabling them to take their game to higher levels and to allow them opportunities to play in settings they otherwise would not be able to. This is accomplished by providing both financial and non-financial support that allows our fans to cheer on our teams, our coaches to coach and our players to play at their highest level.

In 2025, we continue to see excellent participation and continued growth within our program. This season we have over 100 participants across 9 teams already competing throughout the Midwest. We are able to keep costs significantly less than most travel teams, while also offering the ability to compete on the highest level in strong part due to our support by local sponsors, like you.

If you're able, we would very much appreciate your sponsorship and it is truly treated as an investment in the youth of Dodgeville. Thank you for being part of our community.

Without you, none of it is possible.

Respectfully yours,

The Dodgeville Diamond Club
