What we did in August on the ice:

Introductory lessons for beginners on Tuesday afternoon HMFSK ice

Tuesday 9/2: Getting in the Groove workshop

Saturday skill-builder workshops for beginners through advanced.

Glide and Shine Saturday morning beginner series.

Skater Spotlight: Ayla Seig

Favorite skating moment: Landing my Axel for the first time.

How I got started: A friend suggested I try it.

Fun fact: I love travelling, especially cruises! I'm saving money to go on the Icon of the Seas.

Be sure to follow us!

Social Life

Paint the Town Red in Powell was so much fun! Besides climbing the rock wall, we got to meet new potential skaters, and even welcome a few of them to the Riley for our Saturday lessons

Our annual end of summer rodeo night makes the new season official.

In September:

Yoga with Breathe and Balance: Mondays from 4:00-5:00

Off ice at the rink: Saturdays at 7:30

Skater Scrapbooking: Starting soon!
