EXCLUSIONS

- The package doesn't include the cost of any form of insurance, rescue, evacuation, hospitalization and entry tickets.
- Other expenses such as drinks and tips are not included.
- All hotels and guest houses will be shut at the time and you will only get homestays which have dry eco-friendly squatting toilets. You will need to be okay with this as wet toilets are not available due to water lines freezing.
- Because of the water lines freezing, the locals need to carry the water all the way in the freezing cold from a nearby water source and hence having a bath while you are in Spiti will not be possible.
- In peak winter i.e. January and early February all the places might not be open due to adverse weather conditions or Covid-19 restrictions. We will keep you updated of the same in case any last-minute changes need to be made to your plan.
- Be prepared to be understanding and flexible, as we can make last-minute plan changes due to bad weather for your safety and wellbeing.

CURIOUS TO KNOW OUR ADVENTUROUS JOURNEY?

Today we are going to share a story of two dreamers who accidentally came together to be bound by bonds of Friendship and it leads to a beautiful thing we call **#TheTravellersShed**. A shared passion for Bikes and treks set **@ArunShokeen** and **@SahilWason** on an unconventional road to Spiti valley. As they say when two like-minded people meet Magic Happens. The same kind of magic happened with them, landed in Kaza, they found their home and decided to make it their Shed. Now after 4 years of running this place and Spiti valley group trips with their blood and sweat, they have achieved a name, a place in between Spiti Lovers. But this all wouldn't have happened without the Love and support of all of you amazing people. So we Thank you all for standing with us and also request you to keep this love coming.
