# What is Forest School?

***Forest School is a unique educational approach that helps children grow and thrive through regular sessions in nature. It focuses on holistic development, fostering resilience, confidence, independence, and creativity in every child.***

***By nurturing a deep connection with the natural world, Forest School inspires curiosity and problem-solving through hands-on exploration.***

***Children are encouraged to take safe, age-appropriate risks, building essential life skills and self-assurance in a supportive and engaging environment.***

***Activities are thoughtfully tailored to meet each child's needs, ensuring a child-centered approach that brings out their unique potential. Led by certified practitioners committed to excellence in outdoor education, Forest School delivers a high standard of learning and care. This nurturing experience allows children to discover their abilities, develop vital skills, and create lasting memories through meaningful adventures in nature.***

## Vision

To inspire a **thriving community** of children who embrace their **innate spirit of play**, trust their **instincts**, and **connect** deeply with nature.

## Our Mission

With our ethos-themed approach, where each ethos teaches a vital life skill, from responsibility to creativity. Combined with our child-led free play and Forest School philosophy, we create a nurturing space for young explorers to grow confidently through hands-on, nature-based learning. Every term brings fresh themes and skills, making each session fun, empowering, and foundational for life!

# 5 Warrior Ethos

## Fire Ethos

***"Developing Discipline, Responsibility, and Confidence."***

Children learn the essential skill of fire-making in a safe, controlled setting, cultivating discipline, responsibility, and confidence. Through hands-on experience, they strengthen their practical skills and problem-solving abilities.

## Nature Canvas Ethos

***"Fostering Creativity, Expression, and Connection to Nature."***

Through art and creativity inspired by the natural world, this ethos encourages children to express themselves and explore their creativity. It enhances emotional intelligence and communication, fostering a deeper connection to nature.

# 5 Warrior Ethos

## Spirit Ethos

**"Cultivating Mindfulness, Inner Peace, and Connection to Self and Nature."**

Children engage in mindfulness practices like meditation and forest bathing, promoting inner calm and emotional well-being. This ethos helps develop self-awareness, emotional regulation, and resilience, nurturing a peaceful connection to both self and the natural world.

## Survival Ethos

**"Building Resilience, Independence, and Problem-Solving."**

Survival Ethos focuses on teaching survival skills that nurture resilience, self-reliance, and adaptability. Children engage in challenges that enhance critical thinking and resourcefulness, equipping them with skills to overcome obstacles in nature and life.

# 5 Warrior Ethos

## Wildlife Ethos

***"Nurturing Curiosity, Empathy, and Wildlife Stewardship."***

We instill a deep appreciation for nature by teaching children to observe, understand, and protect wildlife. This fosters empathy, curiosity, and responsibility while promoting environmental stewardship and soft skills development.

# What Parents Say?

Sent my boy for the September school holiday at Wildlife Warriors. My son had an adventurous time, the programs allowed him to step out of his comfort zone and embrace new challenges like starting a fire, fishing, cooking, and marshmallow grilling. He had a splendid time, totally adapting like a big boy while acquiring essential life skills. Highly recommend and will definitely enroll him again!

My 5-year-old son joined Wildlife Warriors and it was an absolutely wonderful and memorable experience for him! He can't stop talking about it even days after the camp. As a parent, I had been searching for an outdoor experience like this, and I'm so glad I discovered Wildlife Warrior through coach Keane, the founder. The program was really amazing! My boy had many first-time experiences, from nature cooking and fishing to making woodland weaponry. Huge thanks to the WW team for creating such a wonderful program and experience for the kids. Highly recommend!

The Coaches at Wildlife Warriors are great. My son has autism and they have been very patient, teaching and guiding him. My son enjoyed the coaches and the programs so much, he is looking forward to another adventure.
