

FALL / WINTER 2025
COLLECTION

A woman with voluminous curly hair is sitting on a stone balcony railing. She is wearing a dark, sleeveless swimsuit with a lace V-neckline. The background shows a row of Parisian-style buildings with blue roofs and dormer windows under a soft, hazy sky. The overall mood is romantic and elegant.

"Late check-out"

This autumn-winter, **Passionata** invites you to enter the hushed, intimate world of a Parisian hotel room, where every nook and cranny is a promise of exquisite comfort and subtle sophistication.

A soft, secret room, in the image of this new collection, where every line seems to have been imagined to perfectly embrace the sensuality and refinement of the modern woman.

Warm, bewitching, sometimes mysterious colors blend harmoniously with powdery, luminous shades, creating an atmosphere that is both elegant and reassuring, like a break from the hustle and bustle of the outside world.

Pick up the phone, discreetly hang the "do not disturb" sign on the door and enjoy the caress of a satin-finish microfiber brushing against your skin.

When the mercury drops, you can count on the exquisite warmth of second-skin-effect cashmere to wrap you in softness, while revealing, under the reassuring warmth, delicate lace or embroidery, timeless signatures of the brand.

As night falls, your garments sparkle, guiding your steps towards peaceful dreams or daring nights. It's up to you to choose the adventure, but know that it will never be ordinary.

And finally, leave a discreet kiss on a note, a fleeting but unforgettable imprint, like an elegant signature of the **Passionata** woman : a woman who leaves no one indifferent.
