

CREATIVE WRITING

Writing Prompts

Nitima Sood

1. If Your Pet Could Talk...

What if one day your pet starts talking. What would it say? What stories would it tell? Would it complain about bath time? Write a short story or a fun dialogue between you and your pet.

2. The Mystery Box

One day, you find a mysterious box on your doorstep. It has your name on it, but no sender. When you open it, something incredible is inside. What is it? Describe the moment, the day, and what happens next!

3. A Day in a Fairy Tale World

If you could step into your favorite fairy tale, which one would it be? Would you help Cinderella at the dance, or move into a story from Panchtantra? Rewrite a fairy tale from your perspective.

4. The Secret Door in Your Room

One afternoon, you notice a door in your room that you've never seen before. When you open it, you step into your best friend's room. What do you both do? What adventures do you have?

5. The Superpower You Never Knew You Had

One morning, you wake up and realize you have a superpower. What is it? How do you use it? Do you keep it a secret or tell your friends?

6. The Alien Exchange Student

A new student joins your class, but they're not from Earth! Describe their appearance, habits, and how they adjust to school. What challenges do they face? Do you become friends?

7. The Talking Tree

One day, a tree in your garden starts talking. It has opinions on your personality, your stories, and even your play choices. What does it say? Write a dialogue between you and the tree.

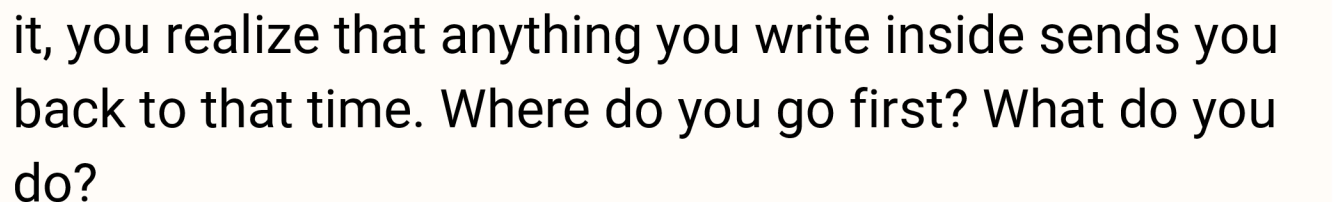

8. Lost in a Video Game

You get sucked into your favorite video game. Where do you land? Who do you meet? How do you get back to the real world? Write a thrilling adventure story!

9. The Time Traveling Diary

You find an old diary in your store room. When you open it, you realize that anything you write inside sends you back to that time. Where do you go first? What do you do?

10. Your Future Self Writes You a Letter

Imagine receiving a letter from yourself 50 years into the future. What advice does your future self give you? What surprises does it reveal? How will the world be at that time?
