Good Morning All,

I hope this message finds all of you and your families well; there are many challenges surrounding all of us lately, and I hope each of you are safe and healthy. This is my first email to the group, so I would like to introduce myself. I am TSgt. Tyler Shofner, a Machinist with the Kentucky Air National Guard and I will be the Tournament Director for the 2021 Air National Guard Bass Tournament. We will be hosting the tournament on Lake Cumberland located in south central KY. There are many topics I would like to cover in this email, so I apologize for its length.

---- 2021 Tournament Updates ----

Dates: Wednesday March 31st & Thursday April 1st 2021

-Barring any unforeseen conflicts, these are the dates we will hold the tournament

Location: Lake Cumberland (South Central Kentucky)

Launch: Halcomb's Landing Boat Ramp

Lodging: I will be working with hotels and marinas in the area in an effort to secure discounts for members, but I wanted to provide some options early. All of these are within 20 minutes of the ramp.

- Jamestown Marina (Cabins)

-Lake Cumberland State Resort Park (Lodge & Cottages)

-Timber Pointe Resort

-Anchor Inn

-OYO Hotel Cumberland

-Springs Motel KY by Magnuson Worldwide

-Riverside Inn

-Kendall Campground

-Numerous options through Airbnb & VRBO for rentals

Banquet: Location TBD, we are working with local venues to finalize a location

Entries: We are currently finalizing the details, and plan to begin taking entries in August

Sanction Letter: As we have just finalized the dates for the tournament, we are beginning the process of acquiring the Sanction Letter from National Guard Bureau. We will send this out to all members as soon as we receive approval.

Website: We will be working with CMSgt. Robinson to get this updated in the coming weeks.

---- 2022 Tournament Bidding & Selection ----

I am sure most of you are aware that there is a great deal of work and planning that goes into hosting a bass tournament like ours. Unfortunately we were unable to have our tournament at Pickwick this year due to circumstances beyond our control. Typically we would have voted on a location for the 2022 tournament at this year's tournament, allowing the hosting team a 2 year planning period. Given the cancellation, we would like to host a bidding & voting process via email or phone. There are many things that go into hosting a tournament, and we feel this is the best option for ensuring the host of the 2022 tournament has adequate time to prepare. We will also have the selection process for the 2023 tournament at the banquet for our upcoming 2021 tournament.

Bidding Process:

- The bidding period for a unit to host the 2022 tournament will begin now, and close on Monday August 17th 2020
- Please email me your intentions to offer a bid, as well as any pertinent information about the lake you intend to offer
- You can also send me any additional information you would like me to publish to the group to help showcase or promote your bid
- I will also send out several reminder emails during this time
- I will then compile all of the bids to host for 2022, and pass all of the provided information along to the group

Voting Process:

- Once the bidding period has closed, I will send all of the bids out to the group and begin the voting process
- Voting will be open as soon as the bidding period closes, and the email is sent out to the group with information on the bids for 2022
- Closing date for the voting period will be contained in the above email (30 day period)
- I will take votes via email/phone/text, tally all of the votes, and announce the winner

There has been a notable decline in the number of units offering to host future tournaments over the past few years. I understand that not everyone has the time or resources to host a tournament, but I would ask that everyone at least consider the possibility of volunteering to host. It would be great to see several states & options for the group to choose from, and I believe this also helps to ensure the longevity of the tournament that we all enjoy.

---- 2023 Tournament ----

Given the cancellation of the 2020 tournament on Pickwick Lake, we find ourselves working with a shorter timeframe for selecting the location for the 2022 tournament. Keep in mind that we will also be holding the voting process for the 2023 tournament at the banquet for the coming 2021 tournament on Lake Cumberland. Hopefully we will have several bids & lakes to choose from, and any lakes that are not selected for 2022 can be presented as an option for the 2023 tournament.

---- Safety (Covid-19) ----

As you all know, there have been many changes in the way that we have to operate due to Covid-19. The possibility exists that the 2021 tournament will be affected by this, and may require us to implement certain procedures to ensure the safety of all participants. I can assure you that we will be monitoring the situation in the months leading up to the tournament, and planning for all contingencies as it relates to this scenario. I sincerely hope that we will be in a position to run our tournament as usual, but we will be ready for any measures that may be necessary. The safety and well-being of all of the participants and staff will remain our first priority. We will be sure to keep everyone informed on this topic; and if you have any questions or concerns, please feel free to contact me.

Rest assured that I have a fantastic team from both Air & Army helping me to plan and host this tournament, and we are calling on all of our resources to ensure that we put forward the best event possible. We sincerely look forward to seeing all of you on Lake Cumberland, and for all of us to have the opportunity to once again come together for fellowship and competition. We are hoping for a great turnout. Please feel free to contact me with any questions for concerns you may have.

Thank You,

TSgt. Tyler Shofner

Good morning National Guard Bass Tournament supporters,
This email is for MSgt Tyler Shofner, 123 AW Ky ANG, for next year's ANG Bass Tournament in order for him to start getting information out for the 2021 Tournament.

Tyler -
This is the most current email list from when I hosted my tournament. As far as I know there was no mass emails (with any new members) sent from the 164th guys in TN. Hopefully you can get the email out soon for seeking bids for the 2022 Tournament. In a normal year the next two tournament hosts would be known at this point. As you and I discussed via email, the GA ANG (116 ACW - JSTARS) stands ready to host the 2022 Tournament at beautiful Lake Sinclair (sure of 2006 & 2010 Tournaments).

thanks to everyone for you continued patience in receiving information during this abnormal time.
