We hope that you join us on Sunday, September 10th to meet and discuss the founding of the Winnipeg Modern Quilt Guild.

We hope to start this guild so all quilters and those wishing to get started in their quilting life have a chance to meet and share their ideas and love of quilting with a modern feel.

The plan is to meet once a month on a Sunday to start. There are no set rules as "this is how a modern quilt guild operates" so we will just get started and take it from there.

We do hope that you attend and come with

ideas and passion that you are willing to share with all so that we can create a guild that appeals to everyone.

Sadly, this first meeting will only be a talking meeting but if all goes well the next one will be arranged as a sew-together meeting as a guild. The committee will meet separately from the monthly meetings either in person or online.

MODERN QUILT GUILD

Karen Sewell and Sarah Ethier—MQG addicts!

Karen and Sarah belonged to modern quilt guilds in other cities.

Sarah works in the agricultural industry and arrived this year from Saskatoon where she was a member of the MQG there and the

Social Media Coordinator.

Karen was previously VP Membership and President of the Perth Modern Quilt Guild in Australia and has also been a member of the Phoenix MQG. Not to worry, she was born in Emer-

son, MB and previously lived in Winnipeg so she's not a complete foreigner!

We are very excited to be starting this guild in the 'Peg.
