

Canadian Modern Quilt Guilds

Block Lotto Challenge: Wedges as Topography

General Lotto Rules:

1. Make one or more 9.5 inch unfinished quilt block following the pattern outlined in the post. Winnipeg Modern Quilt Guild's colours are influenced by our landscape of sky, lakes, grass, forests, and snow. So think blue, green, and white.

For instructions, check out this video or download the pdf.

2. For every block you make and bring to the **Nov. 18 meeting**, you will get one entry in the lotto. If you are unable to attend the meeting, but want to participate in the lotto, mail or drop them off prior to the meeting to: WMQG, 146 Kinlock Lane, Winnipeg, MB, R3T 1B6. Make sure to attach a name to your block!

2. The winner gets **all the blocks** to make a quilted project from them. The guild reserves the right to vote on splitting up the blocks between more than one winner if there are enough entries. If you win, the blocks become yours and you can use them in any way you choose. You may only win one group per lotto.

3. We would like to see your finished project, either in person or pictures, within one year of winning the blocks.

4. Have fun! Keep in mind that (most likely) someone else will be taking home your block to incorporate into a larger piece and things must fit together (literally, ...so keeping your block true to size is probably the most important thing), but you should also make it yours and enjoy the process!

5. Remember, you must be a member of Winnipeg Modern Quilt Guild to participate.
