At UDM our priority is to assure kids learn and enjoy the game of soccer while having fun.

- Each training session is 1 hour and 30 minutes long.
- Players are grouped by age, school grade, and skill level – all skill levels are welcome!
- During the sessions, we focus on technical skills, as well as physical and tactical aspects of soccer and futsal.
- We also include dynamic and agility exercises to help kids improve their speed, coordination, and overall motor skills.
