5:45 - 6:45 PM**

**GRADES 4 - 5
7:00 - 8:00 PM**

**GRADES 6 - 9
8:15 - 9:15 PM**

Soccer fundamentals focused on ball control, passing, footwork, agility, coordination, and essential motor skills.

Development program focused on ball handling, passing, shooting, and introductory tactical awareness to support smarter decision-making on the field.

Competitive-level training focused on attacking and defensive principles, tactical game scenarios, and physical development—including strength, acceleration, reaction speed, and speed endurance—for both futsal and soccer.
