

Windy Aphayrath is the Assistant Director with the State of Utah's Division of Purchasing. In her role with the Division of Purchasing, she leads the Cooperative Contracts program in addition to serving as the primary project manager for many of the Division's special projects. Prior to becoming assistant director, Windy served as the E-Procurement manager and led the implementation of the SciQuest electronic bidding system across the State. Before joining the Division of Purchasing, Windy worked in bio-technology where she held roles in Global Procurement, Sourcing Analytics, and Program Management. Windy is a graduate of Westminster College of Salt Lake City.
