

Richard Oborn is the Director of the newly created Center for Medical Cannabis at the Utah Department of Health. As Director, Rich leads planning and implementation of the department's duties under the Utah Medical Cannabis Act. Rich first joined the department in 2015 as the State Registrar and Director of the Office of Vital Records and Statistics. Prior to 2015, Rich was Bureau Manager at the Utah Department of Commerce, Division of Occupational and Professional Licensing where he oversaw licensing of pharmacies and various regulated professions. He has a bachelor's degree in political science and a master's degree in public administration from the University of Utah.
