Due to space restrictions, it is necessary to limit the number of contestants to 20. Each contestant will be assigned a 10x10 location. You will be officially considered a contestant when your entry fee is received.

Location assignments will be made when your entry fee is received. Contestants may begin setting up their booth space between 6:00 AM to 8:00 AM on morning of competition. Please note that the festival or City of Loris is not responsible for individual belongings. **Cookers must be set up by 8:00 AM on Saturday, October 20, 2023.** **Please drive in, drop your items in your space, park your vehicle and then set up your space.**

Only ingredient that can be prepared prior to arriving at the festival is the chicken.

Each contestant must cook a minimum of **16 quarts** of chicken bog so there will be enough for sampling in the People's Choice category. **There will be a festival coordinator in the cooking area at all times if you have any questions. Sample cups for People's Choice will be provided to you the morning of the contest. Please do not use your own sample cups. If you have bog left after the People's Choice is over, you must take the extra bog home with you. You can not give it away or sell it. There will be new signage in area with all of the rules for the People's Choice participates.**

Each contestant must supply all of their ingredients for cooking and individual cooking devices. This includes items required by the health department (hand washing station, tent, etc.) Each contestant must comply with the applicable rules and regulations of the health department. Please make certain you receive a copy of these regulations with your application.

Any cooking devices with an open flame must be used outside of the tent unless you have a tent labeled fire retardant.

Judging will begin promptly at 12:00 noon. Contest officials will collect ample samples from your booth to be taken to the tasting site. Once the tasting samples has been collected, you may then begin providing samples to the public for the People's Choice Award.

Chicken bog will be judged on the following: 1. Flavor of ingredients, 2. Appearance and aroma, 3. Texture of chicken bog.

No decorations are required this year. If you choose to decorate your area please refrain from using flammable items.

Giving chicken bog away, other than People's Choice Award samples, will result in elimination.
