DIRECTOR'S NOTE

In 1978, Rodger Hoopman welcomed audiences of all ages to premier his version of the timeless classic, Scrooge in Sacramento, Ca. For the last 43 years, Rodger has continued his tradition by producing sold out shows in different locations in the Greater Sacramento Area as well as playing the title role year after year. In 1999, I was lucky enough to be part of one of his productions playing the role of Young Ebenezer. This experience has been near and dear to me for the last 20+ years. When I reached out to Mr. Hoopman to see if he would allow Mankato Playhouse to produce his show, I was told his show had never been done outside the Sacramento Area and there had been no other actor playing the role of Scrooge, but he would be thrilled to have us put on his show.

I am excited to bring Mankato what the Sacramento Area has been experiencing for decades. I hope you enjoy this show and it brings a little Christmas joy into your hearts as we enter this Christmas season.

David Holmes

Director
