

Dear Weavers,

As promised, Peggy Adelman is coming back on September 18 from 9:00 to 5:00 to teach us basketmaking at its finest. Below please find the 4 options we can choose from for this 1 day workshop. Options are labeled 1, 2, 3, 4 below. Descriptions are below each set of photos. Please reply back with the number of your selection you plan to do at the workshop, and any additional basket kits you might like to order. Please mail me a check made out to Peggy Adelman for the total amount (no Tax); she would like all orders in by July 1, 2026 so you may post date the check to her to that date.

I will confirm location but tentative it will be held at First Presbyterian Church in Sylva. Please feel free to forward the invitation to someone you think might also like to come, especially if you know of someone I left off. Looking forward to seeing you all again! Any questions just call 703-475-1088
