15. Special Condition for AI Use

By interacting with the AI included in the BASE, you acknowledge and accept that any actions taken based on the advice given are solely at your own risk. The creator of this AI and/or the interface through which it operates cannot and will not be held liable for any consequences arising from your use/actions based on information from the AI, including but not limited to damages or injury caused by errors in information provided, actions taken based on said information, or any damages incurred. While every effort is made to provide accurate and helpful responses, the limitations inherent in AI technology mean that inaccuracies or misunderstandings may occur. It is recommended that you verify any information provided by the AI and exercise caution and critical thinking when acting upon its suggestions or guidance.

By using this interface, you agree to release, to the fullest extent permitted by law, all liability or alleged liability in the aggregate, of the creator and the creator's officers, directors, employees, agents, to you, the user, and anyone claiming by, through or under you, for any and all injuries, claims, losses, expenses, or damages whatsoever arising out of or in any way related to the use of this interface, or the information contained therein, from any cause or causes whatsoever, including but not limited to, the negligence, errors, omissions, strict liability, breach of contract, misrepresentation, or breach of warranty of the creator, the interface, or the creator's officers, directors, employees, agents or independent professional associates, or any of them.
