

Wedding Cakes

congratulations on your upcoming wedding!

1 First things first, let's get some details. You can use our [contact form](#) to get in touch and let us know all about your dream wedding cake. Please include any inspirational images you'd like to share – we love receiving pretty things in our inbox!

2 Once we've checked our diary, we'll get back to you to let you know if your date is available, and to get more information about your cake. If you would like to taste some samples, we can arrange for one of our cake-tasting boxes to be sent to you. They contain six of our favourite flavours. These are posted out to you via Royal Mail's 24 hour Tracked service. A box of samples costs £25 including delivery, but this is deducted from your balance, if you go ahead and book.

3 The consultation process can be done via email, phone call or video call. Based on this and any images you provide, we'll prepare you a quote. If you wish to go ahead and book, you reserve your date with a non-refundable* deposit.

4 We'll check in with you about a week before the date to confirm everything. You pay the outstanding balance. Your cake is created and the delivery and set-up magic happens!

5 You get married! Then it's time for champagne toasts and cake... and DAY 1 of the rest of your lives!

We'll liaise directly with the venue about set up and delivery, so that all you have to do is focus on having a fabulous wedding day!
