

Celebration Cakes

Let's celebrate with something sweet!

1 First things first, let's get some details. You can use our [contact form](#) to get in touch and let us know all about your desired cake. Please include any inspirational images you'd like to share – we love receiving pretty things in our inbox!

2 Once we've checked our diary, we'll get back to you to let you know if your date is available. We may also email you if we need any further details.

3 Based on this and any images you provide, we'll provide you with a quote and you reserve your date with a non-refundable* deposit.

4 Your cake is created! The balance payment is due either before the cake is collected or delivered, or at the time of collection/delivery.

You 5 You collect your cake from us, or we can deliver (a small fee may apply, depending on distance). You celebrate your special occasion with delicious cakey goodness!

Pricing

Celebration cakes start from £25 for the smallest plain single tier cake.

Your price will be based on:

1. Cake size - usually determined by the number of portions required
2. The cake flavours you require (you can have more than one!)

3. The intricacy of your design
4. The number of hours required to create your cake

Most clients choose to collect their celebration cake. However, delivery can be arranged for a fee to cover fuel and time.

*The booking deposit is non-refundable, except where The Little Cake Boutique is unable to fulfil the order due to incapacity or unforeseen circumstances beyond our control (force majeure). In which case the deposit would be fully refunded.
