

Allergen Information

In accordance with EU Food Information for Consumers Regulation 1169/2011, the following is a list of allergens which are or may be present in foods produced by The Little Cake Boutique.

According to the regulation, all allergens must be listed, whatever the amount that may be present in the food.

Certain decorations, not listed here, may contain allergens; if this applies to your order, this will be highlighted to you when you are given a quote.
