

Wedding Cakes

congratulations on your upcoming wedding!

- 1 First things first, let's get some details. You can use our [contact form](#) to get in touch and let us know all about your dream wedding cake. Please include any inspirational images you'd like to share – we love receiving pretty things in our inbox!
- 2 Once we've checked our diary, we'll get back to you to let you know if your date is available, and to arrange your cake-tasting samples. We'll ask you to pick up to 4 flavours of cake and buttercream or ganache for you to try. These will be posted out to you via Royal Mail's 24 hour Tracked service. A box of samples costs £20, but this is deducted from your balance, if you go ahead and order.
- 3 The consultation process can be done via email, phone call or video call. Based on this and any images you provide, we'll prepare you a quote. If you wish to go ahead and book, you reserve your date with a non-refundable deposit and a signed contract.
- 4 We'll check in with you a week before the date to confirm guest numbers. You pay the outstanding balance. Your cake is created and the delivery and set-up magic happens!
- 5 You get married! Then it's time for champagne toasts and cake... and DAY 1 of the rest of your lives!

After the event we collect any borrowed cake stands from the venue. We'll liaise directly with the venue about set up and delivery, so that all you have to do is focus on having a fabulous wedding day!
