EDUCATIONAL SERVICES

## INTRODUCTION TO LAND BROKERAGE

**BROUGHT TO YOU BY:**

A 4-hour NC CE Elective covering topics important to realtors and other professionals dealing in land. Even if you live in another state, the education is incredibly valueable. No one covers land like I do!

Topics covered in this class include; types of land, land use issues, Federal and State Laws, land forms, marketing land, and working with buyers/sellers.

Learn what they don't teach you in Real Estate School... **LAND!!!**
