

Shipping/Truck Driver – Job Summary

We are seeking a reliable and safety-conscious **Shipping/Truck Driver** to join our team. This role is responsible for transporting steel and materials to job sites and vendors, as well as supporting shipping operations. The ideal candidate is dependable, detail-oriented, and able to work efficiently in a fast-paced environment while maintaining a strong focus on safety and customer service.

Key Responsibilities

- Safely operate company vehicles to transport materials to job sites and vendor locations
- Load and unload materials, ensuring secure handling and minimal damage
- Perform routine vehicle inspections and report maintenance needs
- Maintain accurate delivery logs and communicate with supervisors
- Follow all company, local, state, and federal safety and traffic regulations
- Operate forklifts and assist with material handling, including steel, as needed
- Construct pallets and prepare materials for shipment
- Provide courteous and professional service during deliveries
- Adapt to changing schedules and delivery needs
- Perform additional duties as assigned

Qualifications & Skills

- Valid driver's license with a clean driving record
- Ability to safely operate light to medium-duty trucks (CDL not required)
- Good navigation skills and knowledge of regional roads
- Ability to lift and carry materials (typically up to 75+ lbs.)
- Strong time management and reliability
- Ability to pass a DOT physical, drug screening, and background check
- Strong work ethic and attention to safety

Physical & Work Requirements

- Ability to lift heavy materials (up to 75+ lbs.) and push/pull heavy loads
- Capable of standing and/or sitting for extended periods and working in various positions (bending, kneeling, reaching, crouching)
- Comfortable working outdoors in a variety of weather and road conditions
- Ability to safely perform physically demanding tasks in a fast-paced environment
