This role requires a valid driver's license (CDL not required), a clean driving record, ability to pass a DOT physical and drug screen, adherence to all traffic and safety regulations, and the ability to operate trucks in varying road and weather conditions. The driver may be required to load and unload cargo, perform routine vehicle inspections, and maintain accurate delivery records.

Key Responsibilities:

- Safely operate company vehicles (under 26,000 lbs. GVWR) to transport steel to jobsite or vendor locations.
- Follow all company, local, state, and federal traffic laws and safety regulations.
- Load and unload items as needed, ensuring secure placement and minimal risk of damage.
- Maintain accurate delivery logs and communication with the shipping supervisor.
- Inspect vehicle before and after each trip to ensure roadworthiness; report maintenance or repair needs promptly.
- Communicate effectively with dispatchers, customers, or supervisors regarding delays, issues, or route changes.
- Provide courteous and professional customer service during pick-ups/deliveries.
- Adhere to company schedules while maintaining flexibility to accommodate changing delivery needs.

Skills & Qualifications:

- Valid state driver's license with a clean driving record.
- High school diploma or GED preferred but not required.
- Ability to safely operate light to medium-duty vehicles.
- Good knowledge of regional roads and solid navigation skills.
- Physical ability to lift, carry, and load items (typically up to 50 lbs).
- Strong time management and punctuality.
- Dependability and a strong work ethic.
- Ability to pass a background check and drug screening.

Compensation & Benefits:

- **Pay is commensurate with experience.**
